

## KDLAC01 Compound Diagonal Cutter

Major Tech's 165mm<sup>2</sup> Compound Diagonal Cutter is made from high-grade carbon steel and features heavy-duty insulated hand grips for safety and comfort. It reduces cutting force by 40% and comes with an aperture spring for hardened steel wire. Notably, it's suitable for cutting fibre optic cable, providing precision in your work. With a length of 165mm<sup>2</sup>, a 45mm<sup>2</sup> head, and a 120mm<sup>2</sup> handle, it's a versatile and reliable addition to your toolkit.

### Features

- High grade carbon steel
- Heavy duty insulation on hand grips
- Reduces cutting force by 40%
- Aperture spring for hardened steel wire
- Suitable for cutting fiber optic cable
