

TKE1219 19-Piece Maintenance Tool Kit

Major Tech's TKE1219 Maintenance Tool Kit is a versatile and compact solution tailored for engineers, electricians, datacom and field service technicians. Housed in a durable zip-up tool bag, this 19-piece kit includes essential tools such as insulated pliers, a soldering iron, multi-core solder, a magnetic spirit level, hex key set, folding knife, adjustable spanner, 1000V insulated screwdriver set, an LED headlight, and a quality measuring tape. The bag is constructed from robust 600 nylon Cordura, featuring a convenient zipper and multi-loop nylon straps for organized tool storage. Whether you're working on electrical projects, soldering, or general maintenance, this toolkit has you covered with quality and convenience.
